### **Boat Engine Repair Cost**

After checking out the boat, I decided to have him replace the impeller (which is on the engine for the Volvo) and the tach also needs replaced (wiring is good, just the tach). It is going to cost around \$490 for everything. I completely trust this guy but I am new to boating and just want other opinions.

### **Repair Cost Estimate | Christian & Co.**

The cost of rebuilding an outboard boat motor will depend on the exact type of motor (brand, size and year), the degree of damage, its condition and mechanic performing the rebuild. On average, be prepared to pay a professional mechanic anywhere from \$1,500 to as much as \$4,500 for an outboard motor rebuild.

### **How Much Does an Outboard Motor Rebuild Cost ...**

COST FOR WORKING ON OUTBOARD MOTOR. At last, he HAD to call a repair man. The guy listened to the sound, found a big hammer in his toolbox, and hit the running machine once hard on an axel, and immediately the sound was gone. How much is that, the farmer asked ? 250 \$ the serviceguy replied. 250 \$ FOR ONLY ONE PUNCH !! Noe - thats only a \$, the 249 is for knowing where to hit.

Boatyard and Shop Basics. Their rebuilds have a generally lower cost delta. Yet most folks generally choose to repower, given the new technology and efficiency in these engines. Labor rates for engine work vary widely, but figure on somewhere between \$95 and \$130 an hour, plus materials. Yes, that's a wide range.

### **Used Boats: What's It Going to Cost to Fix This Thing ...**

"I have a 1983 Sea Ray Sundancer 270 with twin Mercrusier 5.0L sterndrives. I am having the port side engine replaced by a reputable marine repair shop. The work order calls for a remanufactured long block (OEM from Mercruiser). They have estimated the labor at 34 hours. Am I missing something, or does that seem high for a long block replacement?"

### **Labor Estimate for Engine Replacement - Boat Repair Forum**

Basic service for an older 140 hp. outboard on Vancouver Is. BC, Canada, will be two to three hours plus parts. Hours at a reputable shop are \$60 to \$90. Parts maybe \$150 to \$200 for basic service below. So \$120 to \$270 labour plus \$150 to \$200 for parts is \$270 to \$470, plus tax.

### **How much does a basic service cost for an outboard motor ...**

How much does a new boat engine cost? I am thinking about buying Slickcraft 28' boat to rehab, but the engine is supposed to be shot. I know that it I might be able to get the current engine repaired but want to get an idea of a worst case senario of what it might cost.

### **How much does a new boat engine cost? | Yahoo Answers**

I'm trying to decide between two boats...one needs the engine replaced. I'm trying to get an estimate on how much a replacement engine, installed, will cost. Not much info available online, and I've not gotten a reply from either business I've contacted.

### **Engine Replacement Cost Estimate - Cruisers Forum**

I know this is probably a hard question to answer, but I'm trying to figure out how much it will cost to fix my boat or at least a range I can go buy. I have a 17' Sea Pro with a Mercury 115 HP engine. Right now the reverse will not work. When I put it in reverse all I get is a sound that sounds like the

engine is stuck between neutral and in gear.

BoatingLAB Tests: Outboard Ownership Costs. Outboards grow more popular every day, and the 150 hp outboard may be the most popular on the water. It's ideal power for the 19- to 21-foot boat range, and in twin applications it's plenty of power for boats to 26 feet. So when we wanted to pencil up the costs of owning an outboard,...
