One pot or several, one behind the other or side by side - with FlexInduction from Bosch the choice is all yours. You can use your cooktop like a conventional induction cooktop, e.g. with four separate cooking zones, or, at the touch of a button, combine them to make two large, continuous cooking zones.

Repeat Cleaning Cycle: If the problem persists, repeat the cleaning cycle and consider trying a different additive. It might take several cycles to get the smell out. Professional Help: If you've tried every way to clean your front-load washer and it still smells, you may have mold growing back behind the drum, or possibly a clogged drain or filter. A qualified repair person can dismantle ...
