Hewlett Packard is the most dominant printer company on the market, so HP printers are everywhere. Find your printer below and click the link for instructions on printing the config page.

How to print configuration pages: HP Configuration Pages

Inkjet printing is a type of computer printing that recreates a digital image by propelling droplets of ink onto paper, plastic, or other substrates. Inkjet printers are the most commonly used type of printer, and range from small inexpensive consumer models to expensive professional machines. The concept of inkjet printing originated in the 20th century, and the technology was first ...
