Software Engineering (2011 - 9th edition) - Inspirit

IAN SOMMERVILLE is Professor of Software Engineering at the University of St. Andrews in Scotland.

Software Engineering 7TH Edition: Ian Sommerville ...

Software Engineering presents a broad perspective on software systems engineering, concentrating on widely used techniques for developing large-scale systems. The objectives of this seventh edition are to include new material on iterative software development, component-based software engineering and system architectures, to emphasize that system dependability is not an add-on but should be ...

Software Engineering: Seventh Edition - Ian Sommerville ...

ian Sommerville 10th Edition PDF Book Introduction: This is a very great book of ian Sommerville 10th Edition. It is a recommended book for the students of Software Engineering. Most of the students can read this book in their 2nd or 3rd semester.
