Automation is the technology by which a process or procedure is performed with minimal human assistance. Automation or automatic control is the use of various control systems for operating equipment such as machinery, processes in factories, boilers and heat treating ovens, switching on telephone networks, steering and stabilization of ships, aircraft and other applications and vehicles with ...

Automation - Wikipedia

Rated 1 out of 5 by JT78 from Terrible grey bands in darker rooms and dark scene Had it for just under 2 weeks and noticed straight away that when I had a black screen and a white logo for example a loading logo in the bottom corner of the screen it made half the screen grey. Dark scenes are distractingly annoying watching the gray bands move around the screen where ever there is light.
