### **Service Engine Soon Light Nissan**

The service engine soon light is often mistaken for the check engine light. The check engine light is a light to warn you to a possible issue with your exhaust system or emissions system. The service engine soon light can come on for minor issues like a loose gas cap, or for more major problems such as possible engine failure.

### **What Does the Service Engine Soon Light Mean on a Nissan**

So just the other day my "service engine soon" light came on no idea why, never had a problem before. Only things that have been done was an oil change a few months ago and i filled up on gas on sat night. Nissan said to check my gas cap lol.. which i was wondering exactly why.

### **Service Engine Soon Light On - Nissan Versa Forums**

The "service engine soon" light indicates that the vehicle's on-board diagnostic computer has detected a problem with one of the car's systems. The computer processes input on system operating parameters while the car is active and illuminates the light if they fall outside of acceptable ranges.
