Skype Brand Manual

We created the Skype Trademark & Brand Guidelines to have manage and protect the value of the brand. By using any of the Skype brand assets, you expressly consent to be bound by these guidelines. If you have an existing agreement with Microsoft or Skype, check that first to determine if your desired use of our Skype brand assets is covered.

Brand Guidelines - Skype

The Skype tone of voice is unique. As a company built around our users, the Skype voice is always plain-speaking and human. Our products are always explained in the simplest terms. If your mum couldn't understand what is being written, then it's not the Skype voice. Humour is an important part of the Skype voice.
