Time Warner Cable Box Manual

Tell the agent that you're moving to an area away from Time Warner Cable. As we mentioned in our How to Cancel Comcast post, a leaked Comcast employee manual accidentally laid out the best ways to cancel service. While Time Warner Cable is a different company, these reasons are effectively the same across all cable providers.

A cable converter box or television converter box is an electronic tuning device that transposes/converts any of the available channels from a cable television service to an analog RF signal on a single channel, usually VHF channel 3 or 4, or to a different output for digital televisions such as HDMI. The device allows a television set that is not "cable ready" to receive cable channels.
